WHAT YOU NEED TO KNOW TO GRADUATE

It is the responsibility of the student for knowing and fulfilling all degree and program requirements outlined in the York University Undergraduate Calendar. The Undergraduate Calendar is available online at calendars.registrar.yorku.ca

Each student is also responsible for the following:

- verifying the accuracy of registration records, including all course changes;
- fulfilling the requirements and being aware of academic progress in all registered courses;
- noting and abiding by the sessional dates and add/drop deadlines published on the Current Students Web site at registrar.yorku.ca/enrol/dates/

Tracking your academic progress

1. Understand your degree requirements

- Degree Progress Report
registrar.yorku.ca/mydegreepress

A self-service tool that allows you to track your progress towards your degree. Available only to students in a single major.

- Review the undergraduate calendar according to your year of entry
calendars.registrar.yorku.ca
- Use the checklists found in this publication (and online at kine.info.yorku.ca)

2. Monitor your grade point average (GPA) by using the GPA calculator
health.info.yorku.ca/current-student-information/calculate-your-gpa/

3. Keep track of add/drop deadlines
registrar.yorku.ca/enrol/dates/

4. Take advantage of academic support services available to you. (e.g. Learning Skills and Writing Department)

5. Review your grade report at the end of each academic session. Fall/Winter session in May and Summer session in September.

Review the online module “Understanding Your Undergraduate Grade Report”
registrar.yorku.ca/grades/report/

6. Understand Honours standing requirements.

Upon completion of each academic session (Fall/Winter and Summer), students must have a minimum cumulative average to continue in an Honours program (120 credits). See Academic Standing section for Honours standing requirements.

7. Students are advised to complete the practicum (PKIN) requirements by the end of their third year of study.

Application to Graduate

All students must apply to graduate online. Detailed information on how to apply, including deadlines and steps you need to take to prepare for convocation are available in the York Convocation Web site at www.yorku.ca/mygraduation/

Students are advised to apply to graduate as early as possible, preferably after registering in their final course(s). The Degree Audit Unit sends letters to students who appear to be missing a degree requirement. If you have applied early and there is a problem you may be able to resolve the problem during the Winter term. Normally, the deadline to apply for the Spring (June) convocation deadline is January 31st and for the Fall (October) convocation is July 31st. See Current Students Web site for online application form and current year deadlines.
