Course Evaluation

The evaluation for this course includes both an individual and group learning components:

Individual

Mid-Term Exam	October 13	35%
Final Exam	TBD	50%

The mid-term exam will be completed in class time and the final exam will be held during the examination period after the end of classes. Both exams will be marked on content and format. Examination formats will be discussed in the class prior to the examination in question.

Any conflicts with the examination days or other necessary accommodations must be reported at least 1 week before the mid-term exam for the mid-term exam and at least 1 week before the last lecture for the final exam. If no conflicts or special accommodations are reported, then you will be expected to be present at the designated time and date for the exam. Any student missing examinations must provide an 'Attending Physician's Statement' (http://www.registrar.yorku.ca/pdf/attend_physician_statement.pdf) within 5 days after the date of the exam. If no APS is provided, the student will receive a mark of "0" on the exam. Students missing exams with proper documentation will be given a makeup exam at a suitable time and date.

Learning Groups

Course Project

1.1 Business Proposal Presentation	November 29/ December 1	15%
1.2 Peer Assessment	December 1	

A project outline will be provided. Group members must submit a "Team Form" by **September 22**. A total of 15% of the evaluation for this course is based on learning group work. The expectation is that the groups, once formed, will make every effort to make the group work effectively. Group members will assess the performance of team members on one occasion after the group presentation. Each student will submit a peer evaluation for each member of their group. Any student that does not submit a peer evaluation will forfeit 5% of their grade on the assignment. Evaluations are due no later than a week after presentations have been given

If a group has difficulty with a non-contributing member, the group must meet with the course director. It is the responsibility of the learning groups to arrange meetings with the course director by **October 29**. Following the meeting, non-contributing members will either re-commit to group goals or withdraw from the group. Any student that withdraws from a group will meet with the Course Director to determine a further course of action.

Any requests for remarking any course materials must be received by the lecturer within 7 days of grades being posted. The request must be made in a 1 page memo outlining the group's/student's specific concerns.

Academic Integrity

Work completed by students is expected to be submitted on time, as per instruction, and be original work. Copying previous assignments or protected material from books and Internet web sites will not be condoned. If you are uncertain about your responsibilities in completing your academic requirements for this course, or you are not sure of appropriate practices in completing assignments and tests, you are encouraged to go to the York website on Academic Integrity

(<http://www.yorku.ca/academicintegrity>) to read the section “For Students”. This site includes a tutorial that is intended to help students learn about the central aspects of academic integrity. We strongly recommend you complete the tutorial.
