N

Expanded Course Description:

The aim of the course is to give students a basic history analysis of the learning skills, rules and tactics of ‘Games Through the Ages’ such as Earth ball, Tlachi, Indian Kickball, Kabbadi, Inca-Stick, Ullami, roman Ball Games, Quidditch and many more ancient fun games. This course is for students who are interested in learning to play active, creative and competitive games through fun, theatrics and physicality.

Course Content:

- An analysis of the changing skill development of ancient games vs. present day development
- To provide students with the opportunity to engage in fun physical activity through non-traditional games like Quidditch and Ullami.
- Learning ancient Rules, Modification of rules and their influence on games and geographical origins.
- Learning Fitness development activities in ancient times vs present day changes
- Method of organization to learn and practice game skills in a non-traditional and theatrical way.
- Value of the social, emotional, physical and psychological aspects of ancient games
- Playing, Comparing and adapting the history of games to its modern day version
-
